

For Immediate Release: June 15, 2021

New! DR10 Front Drag Tires

Replacement front tires for your DR10 are now out! These tires will fit front wheels #71077 (black chrome) and #71079 (black).

Features:

- Drag specific front compound developed for increased high speed straight-line stability and reduced rolling resistance
- Scale drag racing tread design
- Direct replacements for the DR10
